---

#### Scholarship Background:

Delta Sigma Theta Sorority, Inc. is the largest predominantly African-American Sorority in the world and is committed to scholarship, sisterhood, and service. Elk Grove Alumnae Chapter was chartered on December 11, 2004 and Mrs. Jacquelyn M. Ward became the first chartering president of the chapter that would serve Elk Grove, South Sacramento, Natomas, and West Sacramento. President Ward was not only a strong visionary, but her background to serve others came from her career as an RN and nurse practitioner alongside her husband. Mr. Ward was a nurse manager for the Department of Veteran Affairs at Mather AFB, and held many managerial roles in health care over the length of his career including Kaiser Permanente and Sutter Health Foundation. They both served their communities with strong conviction, at a time when there were very few African American nurse practitioners and male RNs.
